THE
Seventy-Fourth Annual Report
OF THE
North Ormesby Hospital
FOR THE YEAR 1932.

ON behalf of the Council I have pleasure in submitting to the Subscribers and Donors the Seventy-Fourth Annual Report of the Hospital.

The first subject which calls for remark is the red letter days of the 29th, 30th November and 1st December, 1932, when opportunity was given to the public to see the completed Extension of the Hospital, built in commemoration of the work of Sister Elizabeth, who, as Mother of the Community of the Holy Rood, ruled the destinies of the Hospital for many years until her death in 1905. After her death a promise was made that her memory would be perpetuated by naming after her, when opportunity occurred, an addition to the Hospital. That promise has now been redeemed, and through the generosity of friends in Middlesbrough, Port Clarence, Billingham and the district of Cleveland, the Hospital has been equipped at a cost of £30,000 with Twin Operation Theatres, which are the most modern in the country, and a smaller Theatre for Ear, Nose, Throat, Eye and Minor Surgery. Two Recovery Wards of eight beds each have been built with a view to allowing cases from the Theatres to recover from the effects of anaesthesia before being returned to the General Wards. This provision we believe is unique, and we have little doubt that if it proves as successful as we anticipate, it will be widely copied. New Children's Wards have been provided to take the place of the single Children's Ward with which the Hospital has had to work up to date. Two observation Wards of one bed each are provided for suspect cases. New quarters have been provided for the Matron, and twenty-one bedrooms have been added to the Nurses' Home. Also on the ground floor of the Nurses' Home a new Chapel, which was Hallowed by the Archbishop of York on Monday, 30th January, 1933, has been built and furnished. A new Lecture and Recreation Room has been provided for the Nurses, the cost of the latter having been provided by the Nurses' Recreation Fund.

PATIENTS.

The following is a brief summary of patients who have received treatment :—

Patients in Hospital on 1st January, 1932 ... 133

Patients admitted during the year ... 2,940

Number remaining on 31st December, 1932 ... 130

The average number of days each patient was resident was 17.38.

In the Out-Patient Department 5,722 new patients received advice and treatment, and the number of attendances made by them was 40,472.

The number of patients treated in the Massage and Electro-Therapeutic Department was 618, and the number of attendances was 12,246.

The demands upon the Honorary and Surgical and Resident Staff have continued to be very heavy ; all the beds in the Hospital have been occupied to their full capacity as will be noted by the fact that while the number of beds in the Hospital was 145, the average number occupied throughout the year was 139.64 ; all the various Departments likewise have been very fully engaged.

INCOME.

In the Report for the year 1931 I stated that the continuance of adverse trade conditions was causing the Council anxiety, and I regret that there is as yet little improvement. In consequence it is not surprising the income of the Hospital again shews a reduction. The total receipts for the year ended 31st December, 1932, amounted to £15,757/0/0, as compared with £17,790/6/9 for 1931, a decrease of £2,033/6/9, which following a decrease of £3,004/5/6, gives cause for apprehension.

Since at least two-thirds of the income of the Hospital is derived from the contributions of the employees in the works and business houses, the stagnation of trade and consequent lack of employment reduces our income. In the year 1931 the receipts from this source were £12,010/18/5, last year they were £10,258/18/10, a loss of £1,751/19/7, but, following a loss of income under the same head of £2,631/4/7 in the previous year, a pathetic insight is afforded into the unhappy lot of our friends and supporters who have been so hard hit by the world economic crisis.

In Annual Subscriptions the loss is by no means negligible, for whilst in 1931 they amounted to £2,023/14/7, last year they were £1,864/8/11, a decrease of £159/5/8, which follows a loss of

£546/13/5 in the previous year. Here again is reflected the stress of economic law.

The support which has been accorded to the Hospital by the Annual Subscribers, Donors and Workpeople has been splendid, and the cordial thanks of the Council are due to all who have stood by the Hospital so loyally in the abnormal conditions prevailing.

LEGACIES.

During the year a Legacy of £152/15/0 has been received from the Executors of the late Mrs. Ellen L. Garbutt, who bequeathed one half of her residuary estate to the Hospital.

In accordance with the practice of the Council this amount has been placed to the credit of the Investment Deposit Account for investment.

It is earnestly hoped that testators will continue to remember the needs of the Hospital when drawing up their Wills. By so doing they will be ensuring not only the preservation of the Voluntary Hospital System—for benefactions of this nature are never used for general purposes, but are invested and the income only so used—but the perpetuation of the great work in which they have been interested, and for which they have done so much in their lifetime.

GIFT OF STOCK.

I have to report that a generous friend of the Hospital, who wishes to remain anonymous, expressed a desire to transfer Stock to produce an annual income of £25 for the perpetual benefit of the Hospital, and accordingly transferred £833/6/8 of 3% Local Loan Stock, the income from the gift to be used for the same purpose as the ordinary annual income. The thanks of the Council have been conveyed to the donor of the Stock for this further mark of sympathetic interest in the work of the Hospital.

EXPENDITURE.

The expenditure has remained steady. There is an increase under the heading of Surgery and Dispensary accounted for by the purchase of equipment for the X-Ray Department, a new Screening Stand and a Dosimeter costing £164/5/9 and £184/7/10 respectively.

The opening of the Sister Elizabeth Memorial Wing has necessitated an increase in the Nursing and Domestic Staff, which is reflected in increased expenditure under the heading of Salaries and Wages. This increase will be much more pronounced in the coming year when the Wing has been in occupation for a complete year.

The total ordinary expenditure amounted to £15,605/15/9, as against £15,090/6/0 in the previous year. Expenditure has been most carefully supervised throughout the year, and despite increased costs in consequence of enlarging the Hospital, the comparatively small increase of £515/9/9 is shown.

The supporters of the Hospital will note with satisfaction that the cost per occupied bed has again been reduced from £114/19/0 in 1931, to £113/2/6 in 1932, and the cost per In-Patient now stands at £5/7/5. This result has been achieved by keeping the beds of the Hospital fully occupied, and by that means effecting economy, whilst at the same time maintaining the highest efficiency throughout the Hospital.

OBITUARY.

It is with the deepest regret I have to record the death of Mr. Alderman W. S. Hill, who was a member of the Council and of the Finance and Building Committees.

Mr. Alderman Hill took a very keen and broad-minded interest in all matters concerning the welfare of the Hospital, and his advice and guidance in the direction of the affairs of the Institution will be much missed.

By his Will he bequeathed a half-share of his residuary Estate to the Hospital to be held upon trust for the establishment and maintenance of a Ward to be known as the "Walter Hill Ward", which generous bequest will be greatly appreciated by all interested in the Hospital. He also desired that a brass plate be fixed in the Ward with the following inscription :

"Erected by Walter Sacker Hill, late of Redcar Iron Works, Redcar, Yorkshire, Son of Alfred Clayton Hill, who was one of the Pioneer Engineers of the Cleveland Iron Trade, and for many years Engineer and Manager of Clay Lane Iron Works, South Bank, Yorkshire."

LINEN GUILD.

This excellent organisation has again rendered the Hospital invaluable help. During the past year the Guild presented 262 articles of bed linen and clothing, and a sum of £30 for the purchase of blankets, sheets and household linen for the use of the Hospital. The Guild has become a most valuable adjunct of the Hospital,

and to the Members and Associates, and to all who have participated in its activities in any way I tender the cordial thanks of the Council. It is pleasing to know that Mrs. Charles Dorman—who founded the Guild twenty years ago—continues to act as its Honorary Secretary, and we are most grateful for her services and boundless enthusiasm.

The Report of the Linen Guild will be found on page 57. I trust the day may be not far distant when the Guild will be able to supply all the linen required by the Hospital.

HONORARY MEDICAL AND SURGICAL STAFF.

There has been one change in the personnel of the Honorary Medical and Surgical Staff during the year. Dr. J. Kenneth Steel resigned his appointment as an Honorary Anaesthetist, and Dr. J. McLean was appointed to the vacancy.

The Council wish to express their grateful thanks to the Honorary Medical and Surgical Staff for the skilful service they have rendered to the patients, and for their continued interest in the welfare and reputation of the Hospital.

RESIDENT MEDICAL AND SURGICAL STAFF.

There have been several changes in the Resident Medical Staff during the year. Dr. David R. E. Smith resigned on his appointment to St. Luke's Hospital, Lowestoft, and Dr. C. McD. Ross was advanced from the post of House Surgeon to succeed him. Dr. A. A. Buxton resigned the post of House Physician, and Dr. G. E. Fordyce and Dr. G. J. Summers were appointed to fill the vacancies.

HOUSE COMMITTEE.

Once again it is my pleasing duty to place on record the appreciation of the Council of the untiring efforts of the Members of the House Committee. They have been indefatigable in their efforts to maintain the income of the Hospital. All items of expenditure are most carefully scrutinized and no pains are spared to effect economy. In their capacity as House Visitors the Members are most regular in their attendance, and see that the Institution is maintained in a high state of efficiency.

NEW MEMBER.

I am pleased to report that Major R. A. Constantine, J.P., has accepted a seat on the Board, and his wide knowledge of affairs will be very useful to the Institution.

GIFTS IN KIND.

The Sixth Annual Egg Day held during Eastertide was again very successful, and 16,328 eggs were received from the towns

and villages served by the Hospital. The Council extend their grateful thanks to all the Donors, Collectors and Organizers, and congratulate them on the success which attended their labours.

The Council also acknowledge with gratitude the receipt of gifts of Fruit, Vegetables, etc., from the Churches on the occasion of the Harvest Thanksgiving Services.

They also thank all who have sent gifts of many kinds for their thoughtfulness, and especially for the sympathetic spirit which prompted them to remember the needs of the patients in the Hospital.

ENTERTAINMENTS.

Much useful assistance has been rendered to the funds of the Hospital by means of Entertainments, Whist Drives, Sports and other activities of one kind and another.

In this connection I desire particularly to refer to the help received from Mrs. Glendenen Robinson, Miss Smith and their pupils by means of their Terpsichorean Matinee, and from the Charity Ball.

The total receipts under this heading came to £909/5/5, an increase on the receipts of the year 1931 of £323/11/0.

THANKS.

I should also like to take this opportunity of thanking the Proprietors and Editors of the North Eastern Daily Gazette and the Northern Echo for the sympathetic and informative references they have made in their columns to this Institution, and particularly to the publicity they have so willingly given to the progress of the Sister Elizabeth Memorial Wing and the various functions held in connection therewith.

IN CONCLUSION and in the name of the members of the Council I thank all the supporters of the Hospital for the splendid manner in which they render such generous and devoted assistance.

We are living in times of grave financial difficulty, and the future, even to those of an optimistic and cheerful nature, is fraught with much anxiety. It will be apparent to all that the enlargement of the Hospital will entail increased expenditure, and when the Hospital is employed to capacity from £4,000 to £5,000 per annum will be needed. At present the additional annual revenue required will be in the region of £1,500 to £2,000.

This is a large sum and places a serious responsibility on the Council of the Hospital. Difficulties have, however, been met in the past and have been successfully overcome, and knowing as I do the loyalty of our supporters, and the warm-hearted interest which they take in the welfare of the Hospital, I do not doubt they will make every effort to provide the funds needed to keep the Hospital free from debt.

We just managed to pay our way in 1932, let us not fail to do so in 1933!

REPORT.

THE subscriptions this year amount to £188/10/3, and 262 useful articles were also sent. All this is very encouraging during these difficult times, and shows the kindly interest that is taken by so many friends in the work of the Linen Guild and the Hospital. Our special thanks to the Lady Associates for all their help; to Mr. Walter Atkinson and friends for again organising the Whist Drive and Dance at Newby; the Towers School for their annual subscription to the Children's Ward; Mrs. Pennyman and Mrs. Taylor for an Entertainment at Ormesby; Miss Robinson for a Bridge Drive at Broughton; Mrs. Ellis Hunter and some of her friends for the splendid parcel of 42 knitted articles.

We regret the resignation of four of our Lady Associates, Mrs. Tidswell (who has left Middlesbrough), Miss Maude Trevor, Mrs. Moody and Mrs. Knaggs. They have done wonderful work for the Linen Guild and have promised still to take an interest in it. Miss Scanlan has very kindly promised to take Mrs. Moody's place and Mrs. Clough will collect for Brotton.

Last year Mrs. Impey became the Lady Associate for Saltburn and her collection appears in this report.

The Linen Guild is more necessary than ever as the new wing of the Hospital will soon be opened and more linen will be needed. Will you each try your best to get a new member.

Mr. Heeley has again audited the accounts and we are very grateful for his kindness and help.

All contributions should be sent to the Lady Associates not later than November 1st, 1933.

AUDREY DORMAN,

Hon. Secretary and Treasurer.

The decision as to whether any case is suitable for Hospital treatment, and as to the order of priority in which applicants (whether contributors or not) are admitted, rests with the Honorary Medical and Surgical Staff.
